What is there afterwards? an existential question Rosamund Lupton has obviously thought about when she chose the title of her new book. Grace is at sports day on a bright and warm summer day. Suddenly, the lovely afternoon turns into a nightmare: the school is on fire, and she knows that her daughter is inside. She runs to rescue her.

Afterwards by Rosamund Lupton - Goodreads

Afterwards, she must fight the limits of her physical strength and discover the limitlessness of love. 'A bold, impossible-to-categorize, and riveting blend of psychological suspense, literary thriller and the paranormal...How Lupton pulls this off, making it believable even to this skeptical reviewer, is a wonder.

Afterwards - Rosamund Lupton

"Afterwards" is a gripping read and an excellent second novel from Rosamund Lupton. I have taken one star off, however, as in the book, Grace is constantly conversing with someone, whether they can hear her like Jenny can, or not, like the rest of the characters who are still "alive" but is also narrating the book at the same time to her husband Mike.

AFTERWARDS. by Rosamund Lupton RELEASE DATE: April 24, 2012. No one is above suspicion when a cozy scenario of suburban family accord morphs into a full-throttle psychological thriller, ring-fenced by a mother ' s love. Happy middle-class facades crumble and suspects multiply like flu germs in the nonstop second novel by British publishing sensation Lupton ( Sister, 2011), quirkily narrated by the out-of-body spirit of Grace, a brain-dead mother in the hospital, badly hurt when rescuing ...

Rosamund Lupton - Wikipedia

AFTERWARDS by Rosamund Lupton is a unique read for both the story line and the narration decisions. I read this for our book club and I'm excited to see where the discussion goes. I think this book probably reads different if you are married and even more so if you are a mother. I am both. Gracie's position is an impossible one to imagine.

Afterwards. Rosamund Lupton I never write reviews, but feel I must after reading both Rosamund Luptons books. Sister has been on my shelf for years and I never looked at it, in a moment of boredom, I took it and started reading. It was difficult to put down. I was very happy to find Afterwards, the second book, and again very original and absorbing.
