2005 Alfa Romeo Brera The original styling is
complemented by generous dimensions: the Alfa
Romeo Brera is 183 centimetres wide, 441 cm
long and 137 cm high with a wheelbase of 252
cm, although the sharply tapered front and
rear make the model look very compact.

Alfa Romeo's design team put its stamp on the
Spider's interior too. The Alfa badge is
embossed into the headrests of the gorgeous
leather seats (where fitted) and there is
much more creative use of colour than in the
Alfa's sombre rivals - such as the Audi TT.
