American Dervish is a 2012 novel by Ayad Akhtar. The novel tells the story of a young Pakistani-American boy growing up in the American Midwest and his struggle with his identity and religion.

American Dervish - Wikipedia

American Dervish is many things -- coming of age, how immigrants view the US and vice versa, dysfunctional families, and other things. However, the underlying theme of the book seems to me to be the damage that fanaticism does to believers and non-believers alike.
