# Get Free Belief Theoretic

Theology is the systematic study of the nature of the divine and, more broadly, of religious belief. It is taught as an academic discipline , typically in universities and seminaries . [1] It occupies itself with the unique content of analyzing the supernatural , but

# Get Free Belief Theoretic

also deals with  
religious  
epistemology , asks  
and seeks to  
answer the  
question of  
revelation .
