A quacktastic Easter read! The stars of the bestselling Duck & Goose and Duck, Duck, Goose return in this board book for preschoolers, this time, to introduce basic opposites. In this ALA-ALSC Notable Children's Book, Goose carries an oh-so-heavy log, while duck easily balances a light-as-a-feather feather. Thistle is one fast bird, but Goose is slooo-w. And when Duck is sound asleep, Goose is wide awake. With a simple text and colorful illustrations—plus the inimitable characters, of course—here's a wonderful, and humorous, introduction to an important concept.

Duck and Goose face a challenge to their friendship when an enthusiastic young duck moves into their neighborhood who wants to play--and win--all sorts of games.

Duck and Goose are wondering if this is an egg?

Duck and Goose, where is your pumpkin? Is it in the log? Is it under the leaves? Is it in the apple tree? Preschoolers will surely enjoy going on a pumpkin hunt with Duck and Goose . . . especially when they find the perfect pumpkin at the end!

Goose is more interested in skating, sledding, and making snow angels than in helping Duck decorate their big Christmas tree. On board pages.

Help Goose find what he needs in this book about love
