This concept is a must for beginner Forex traders. The leverage is the capital provided by a Forex broker to increase the volume of trades its customers can make. Example: The face value of a contract or lot equals 100,000 units of the base currency. In the case of EUR/USD, it would be 100,000 euros. If you use a 1:10 leverage rate and have 1,000 euros in your trading account, you can trade a ...
