LearnByBlogging Book Review Predicting the future: A lecture by Philip Tetlock Future The

Future signed a major label recording contract with Epic Records in September 2011, days before the release of his next mixtape, *Streetz Calling*. The mixtape was described by XXL magazine as ranging from "simple and soundly executed boasts" to "futuristic drinking and drugging jams" to "tales of the grind". A Pitchfork review remarked that on the mixtape Future comes "as close as anyone to ...

`__future__` is a real module, and serves three purposes:. To avoid confusing existing tools that analyze import statements and expect to find the modules they're importing. To ensure that future statements run under releases prior to 2.1 at least yield runtime exceptions (the import of `__future__` will fail, because there was no module of that name prior to 2.1).
