Focus on these fundamentals to plan the exhibition and of course think about lighting, security, souvenir sales to get your exhibition off the ground. Tip 1: Choose your exhibition location carefully. Your location choice can make or break a good event. Is it a great location but it takes a long time to get to for the guests?

Five tips for planning a great exhibition

The Great Exhibition of the Works of Industry of All Nations or The Great Exhibition, an international exhibition, took place in Hyde Park, London, from 1 May to 15 October 1851. It was the first in a series of World's Fairs, exhibitions of culture and industry that became popular in the 19th century. The Great Exhibition was organised by Henry Cole and by Prince Albert, husband of the reigning monarch of the United Kingdom, Queen Victoria. Famous people of the time attended, including Charles D

Great Exhibition - Wikipedia

How to Plan and Design an Exhibition. Exhibition planning is an engaging process. Exhibitions are experiences; they provide communication of ideas, information, feelings and values. Although there is no set method for planning an exhibit, there are general guidelines that professionals follow. A good art exhibition should be characterized by a prominent theme that ties the different pieces together and makes them feel like part of a larger whole. Think carefully about the message you want your exhibition to convey. It could be an image or phenomenon, a feeling or a certain visual technique. The more specific your theme, the better.
