About Springer

New Springer book by an informed EU insider presents a toolbox to ensure that climate policies are receiving the needed social support of civil society, an absolute precondition for these policies to be truly effective. A realistic ten-point manifesto calls on European governments to act in the run-up to COP26 and explains how we can have hope ...

This study aimed to determine if there is an association between ABO blood type and severity of COVID-19 defined by intubation or death as well as ascertain if there is variability in testing positive for COVID-19 between blood types. In a multi-institutional study, all adult patients who tested positive for COVID-19 across five hospitals were identified and included from March 6th to April ...
