The exciting new edition of Marketing continues the established tradition of adding value far beyond the expectations of students and instructors. Extensive research has been done to ensure this edition provides a comprehensive, up-to-the-minute introduction to the field of marketing. Key principles are illustrated by hundreds of fresh, new examples, while the latest concepts and theories are covered in detail with numerous illustrations. Organized around the marketing mix, this thoroughly revised text provides students with an exhilarating first introduction to the dynamic world of marketing.

4LTR Press solutions give students the option to choose the format that best suits their learning preferences. This option is perfect for those students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This commemorative volume honors the contributions of Prof. Joseph F. Hair, Jr., who through his writings, leadership and mentoring has had a profound influence on marketing and other fields of business research. He is widely known for sidestepping mathematically complex ways of teaching statistical approaches with an eye toward making the tools accessible to the average behavioral researcher. Joe is also a bona fide researcher whose work has had a massive impact on marketing and business research in general. The book provides revealing insights on his works and acknowledges his role as an outstanding teacher and mentor who has shaped generations of researchers.

Marketing 5e is prescribed in departments of Management, Marketing or Business Management at universities and universities of technology. It is an introductory level subject which is predominantly taught at first year level. Most universities teach Marketing over a semester. Marketing 5th Edition covers issues like pricing, product labelling and sponsorship and includes a wealth of examples to guide students through current topics such as green marketing and marketing communication. This new edition is written in a more accessible way to assist students to grasp new concepts
