This unique text presents a thorough introduction to Mastercam X5 Mill for students with little or no prior experience. It can be used in virtually any educational setting and will also serve as a reliable reference for on-the-job use or as a self-study manual. The award-winning authors have carefully arranged the contents in a clear and logical sequence and have used many hundreds of visuals instead of wordy explanations.

Articles that have been updated from versions that were originally published in "Shop Talk."
