Physics has been dominated by a view dating back to Pythagorus that mathematical laws are God given. The book was originally published in 1997. Since then, some things have changed and some things remain the same.

Pythagoras's Trousers: God, Physics, and the Gender War ...

The main thread is that Physics has been particularly active in imposing barriers on participation of women. This discrimination is a result of an age old tradition that physics is a "quasi religious" activity. Physics has been dominated by a view dating back to Pythagorus that mathematical laws are God given.

Pythagoras' Trousers: God, Physics and the Gender Wars ...

"Pythagoras' Trousers" explores physics' and maths' historical conflation with priestly and theological pursuits (busting up the science vs religion myth) and also shows how it is the legacy of patriarchal structures borrowed from religious culture that is the source of gender inequality within the disciplines.

In Pythagoras' Trousers, science writer Margaret Wertheim offers an astute social and cultural history of physics, from ancient Greece to our own time. Wertheim demonstrates that from its...

Pythagoras' Trousers: God, Physics, and the Gender Wars ...

Wertheim explores 3 of my favorite topics (God, Physics, and Gender) in an immensely readable way. She persuasively sets Western Science into its cultural context, including its religious context. I found her conclusions to be careful - women can bring different perspectives into the field of physics not because of innate differences, but because in general, we have been acculturated differently.
