Sam and Dean Winchester know all the secrets their father recorded in his journal. Now you can, too. On November 2, 1983, Sam and Dean Winchester lost their mother to a demonic supernatural force. In the wake of the tragedy, their father, John, set out to learn everything he could about the paranormal evil that lives in the dark corners and on the back roads of America . . . and how to kill it. In his personal journal, he not only compiled folklore, legend, and superstition about all manner of otherworldly enemies but he also recorded his experiences—hunting the creature that killed his wife even as he raised his two sons. Part prequel, part resource guide, John Winchester's Journal finally gives fans the ultimate companion book for Supernatural. It's all here: the exorcism Sam and Dean used in "Phantom Traveler," John's notes on everything from shape-shifters to Samuel Colt, Dean's first hunt, Sam's peewee soccer team . . . and John's single-minded pursuit of a growing and deadly evil.

As a natural heir to the hit television series Buffy the Vampire Slayer, Supernatural has risen to prominence with a strong cult following, and this series of essays from contributors around the globe investigates the genre-bending series cultural footprint both in the United States and abroad. The writings explore topics such as folklore, religion, gender and sexuality, comedy, music, and much more, and a brief guide to all the episodes is also included. Supernatural follows brothers Dean and Sam Winchester as they encounter and battle evil beings such as vampires, shapeshifters, ghouls, and ghosts from a multitude of genres including folklore, urban legends, and religious history.

Discusses different aspects of beliefs about life after death, including theories about the afterlife in modern cultures, communication with the dead, miracles, ghost hunting techniques, and near-death experiences.

The goal of Supernatural Youth: The Rise of the Teen Hero in Literature and Popular Culture, edited by Jes Battis, is to analyze the ways in which young heroic protagonists are presented in popular literary and visual texts. Supernatural Youth is essential for educators who work in the fields of English, media studies, women's studies, LGBT studies, and sociology, as well as undergraduate students who are interested in popular culture.

Once upon a time not long ago, two responsible college professors, Lynn the psychologist and Kathy the literary scholar, fell in love with the television show Supernatural and turned their oh-so-practical lives upside down. Plunging headlong into the hidden realms of fandom, they scoured the Internet for pictures of stars Jensen Ackles and Jared Padalecki and secretly penned racy fan fiction. And then they hit the road—crisscrossing the country, racking up frequent flyer miles with alarming ease, standing in convention lines at 4 A.M. They had white-knuckled encounters with overly zealous security guards one year and smiling invitations to the Supernatural set the next. Actors stripping in their trailers, fangirls sneaking onto film sets; drunken confessions, squeals of joy, tears of despair; wallets emptied and responsibilities left behind; intrigue and ecstasy and crushing disappointment—it ' s all here. And yet even as they reveled in their fandom, the authors were asking themselves whether it ' s okay to be a fan, especially for grown women with careers and kids. “ Crazystalkerchicks ” —that ' s what they heard from Supernatural crew members, security guards, airport immigration officials, even sometimes their fellow fans. But what Kathy and Lynn found was that most fans were very much like themselves: smart, capable women looking for something of their own that engages their brains and their libidos. Fangasm pulls back the curtain on the secret worlds of fans and famous alike, revealing Supernatural behind the scenes and discovering just how much the cast and crew know about what the fans are up to. Anyone who ' s been tempted to throw off the constraints of respectability and indulge a secret passion—or hit the road with a best friend—will want to come along.
